The said Municipality shall be called and known by the name and style of "The Corporation of the District of North Saanich."

The said Municipality shall comprise all that locality hereinbefore described.

The Council shall consist of a Reeve and four Councillors, and the whole number present at each meeting thereof shall not be less than three.

The nomination shall take place, and the poll (if any) shall be held at the School-house, North Saanich.

The nomination for the first election of Councillors shall be on the fourteenth day of March, A. D. 1906, at 12 o'clock noon, and the polling (if any) shall be on the twenty-first day of March, A. D. 1906, and shall continue for one day only, and the poll shall be kept open between the hours of 8 A. M. and 4 P. The Reeve and Councillors elected at such first election shall hold office until his successor, or a majority of their successors, have been sworn in, unless he or they shall die or resign or become disqualified.

It shall be the duty of the Returning Officer to enter in a book, in alphabetical order, the names, addresses and occupations of all persons, qualified to vote as aforesaid, who make application to him, as aforesaid, to have their names placed on such list, and such list shall be the list of the electors for such election.

Before the name of any person shall be placed on the list, he shall make and sign a declaration in writing, before some person authorised to administer oaths, setting forth his name, address, occupation and qualifications as aforesaid, which declaration shall be filed with the Returning Officer.

Such list and declarations shall be open to inspection by any person within lawful hours.

Any person may complain that his name is improperly omitted from the voters' list, or that any other name is improperly inserted thereon, and may apply to any Judge of the Supreme or County Court to have his name inserted thereon or to have any names improperly inserted thereon struck off the said list. In such latter case reasonable notice, to be determined by the Judge applied to, shall be given to the person whose name is proposed to be struck off. The Judge shall hear and dispose of all such applications in a summary way, and the Returning Officer shall amend the list in accordance with the Judge's decision.

At least six days' notice of the time and place of nomination and of holding of the poll (if any) shall be given by the said Returning Officer; such notice to be posted during that period in the manner provided by section 30 of the "Municipal Elections Act."

The Returning Officer shall, on the day of nomination, at 2 o'clock P.M., announce the names of the persons put in nomination in that behalf as candidates for the offices of Reeve and Councillors, as prescribed by the "Municipal Elections Act."

At the close of the time for nominating the candidates the Returning Officer shall deliver to every candidate, or agent of a candidate, applying for the same, a duly certified list of the names of the several candidates who shall have been nominated; and any votes given at the election for any other candidates than those so nominated shall be null and void.

If, at the expiration of the time appointed for the election as aforesaid, no more candidates stand nominated than there are vacancies to be filled up, the Returning Officer shall forthwith declare the candidates who may stand nominated to be elected, and return their names to the Registrar of the Supreme Court.

No speeches or interruption to the proceedings of nominating candidates at the hustings shall be permitted by the Returning Officer between the reading of the notice of election and the closing of the proceedings on nomination day by the Returning Officer.

If, at the expiration of such time, more candidates stand nominated than there are vacancies to be filled up, the Returning Officer shall declare the names of the candidates, and publicly proclaim the day previously stated in his proclamation, and the place at which the poll shall be so opened in the Municipality, for the purpose of taking

the votes of the electors according to law; and shall then adjourn the election, and shall take a poll by ballot, and shall cause to be posted up notices of his having granted such poll, indicating the names, residences, and occupations of the candidates so nominated, in the order in which they shall be printed on the ballot papers, which notices shall, as soon as possible after the nomination, be placarded in all the places where the proclamation for the election was posted up.

If, after the adjournment of an election by the Returning Officer for the purpose of taking a poll, one of the candidates nominated shall die before the poll has commenced, the Returning Officer shall, upon being satisfied of the fact of such death, countermand notice of the poll, and all the proceedings with reference to the election shall be commenced afresh: Provided that no fresh nomination shall be necessary in the case of a candidate who stood nominated at the time of the countermand of the poll.

In case of a poll being held, the candidates (duly qualified) who shall obtain the greatest number of votes shall be Reeve and Councillors respectively.

Every person qualified to vote shall have five votes, being one for each Councillor to be elected, and one for Reeve, but he may vote for any less number than five; Provided always, that he shall not cast more than one vote in favour of any one candidate, or vote on more than one occasion. And in the event of the number of votes being found to have been equal for any two or more candidates, one or more of whom, but not all of such candidates, being by the state of the poll entitled to be declared elected, the Returning Officer shall, by a casting vote or votes, as the case may be, decide which of the candidates for whom the votes may be equal shall be elected: Provided that the said Returning Officer shall not vote except in case of an equality of votes as aforesaid.

All expenses attendant upon the said election shall be borne by the said Municipality.

The opening of the ballot boxes and counting the votes shall be in the presence of the candidates, if they attend for that purpose.

The Returning Officer, after the declaration of the poll, shall retain the ballot papers and boxes until a Clerk shall be duly appointed, to whom he shall forthwith deliver the same.

Every person who shall have presented himself for nomination, and who shall have been elected a Reeve or Councillor, must serve for the term for which he has been elected, unless in the case of sickness, or in default pay a sum of fifty dollars towards the Municipal Revenue; such sum, with costs, shall be recoverable by the Clerk of the Municipality, summarily, before any Justice of the Peace.

Any vacancy in the office of Reeve or Councillor shall be filled as provided by the "Municipal Elections Act."

The first meeting of the Council shall be held on the first Saturday after the day of election, at the School House aforesaid, at 12 noon.

Until provision be made by by-law in that behalf, all proceedings at and relating to the meetings of the Council shall be held and taken in accordance with the provisions contained in the "Municipal Clauses Act," and all the powers, privileges and duties of the Reeve and Council shall be the same as those prescribed by the said Act.

At the first meeting, or as soon thereafter as possible, the Council may elect a Clerk, Treasurer, Collector and Assessor, or such officers as they may deem necessary, who shall hold office during the pleasure of the Council, and receive such remuneration as the Council may by by-law appoint.

IN TESTIMONY WHEREOF, We have caused these Our Letters to be made Patent, and the Great Seal of Our said Province to be hereunto affixed: WITNESS, the Honourable Sir HENRI GUSTAVE JOLY DE LOTBINIÈRE, K.C.M.G., Lieutenant-Governor of Our said Province of British Columbia, in Our City of Victoria, in Our said Province, this first day of March, one thousand nine hundred and six, and in the sixth year of Our Reign.
